

Nursery Coordinator Needed – The worship committee is looking for someone to be the nursery coordinator. This person would be in charge of general oversight of the nursery, including setting up the monthly volunteer schedule, making sure volunteers show up for their day and overseeing the cleanliness of the nursery/toys. If you would like to help fill this need, please let Lynn or Desiree know.

*News/Reminders:

Monthly Capital Campaign – The June capital campaign is for the Brady Miller Benefit. Brady was born on March 4th and after many medical procedures, the doctors determined he had a very rare benign tumor known as a neuromuscular choristoma on his face which impacts his airway and facial bones. The doctors are still working on a plan of action for what to do about the tumor, whether it be continued targeted medications or eventual surgery. Brady has been under the care of many medical specialists including an oncologist, cardiologist, geneticist, endocrinologist, audiologist and an ENT specialist. This has created many financial setbacks for the Miller family which we hope to help them out with for our June offering. We will take our offering for them next Sunday, June 23rd.
